## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-19 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

The closest prior art of record is U.S. Pat No 6,477,243 to Choksi et al, U.S. Pub No 2003/0101148 to Montgomery et al, and U.S. Pub No 2002/0176111 to Shaw et al and U.S. Pub No 2002/0133471 to Eskandari et al.

Eskandari et al disclose a franking system wherein available operating features can be customized for the franking system.

Choksi discloses a system for sending confirmation of receipt information. Montgomery et al disclose a system for detecting franking fraud. Shaw et al disclose a method of printing indicia using a fixed print head.

As per claims 1, 8 and 15, in accordance with the decision by the Board of Appeals and Interferences, the closest prior art of record taken either individually or in combination with other prior art of record fails to teach or suggest deleting any operating files stored in memory of the mailing machine that are not associated with an operational feature indicated in the directory file. Claims 2-7 depend upon claim 1 and have all the limitations of claim 1 and are allowable for the same reason. Claims 9-14 depend upon claim 8 and have all the limitations of claim 8 and are allowable for the same reason. Claims 16-19 depend upon claim 15 and have all the limitations of claim 15 and are allowable for the same reason.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
